

STATEMENT OF ANONYMITY

There may be some who are not familiar with our Tradition of personal anonymity in any form of press, radio, films, TV, Internet, and other electronic media. If so, we respectfully ask that no Al-Anon, Alateen or A.A. speaker or member be identified by full name or picture in published, broadcast, or Web-posted reports of our meeting. The assurance of anonymity is essential to our efforts to help other families of alcoholics, and our Tradition of anonymity reminds us to place Al-Anon and Alateen principles above personalities. Statement derived from 2018-2021 Al-Anon/Alateen Service Manual (p. 41).
